

New Vira Shield® 6+L5^{HB} ... one simple shot!*

versus

+

* A booster dose is required initially, with annual revaccination thereafter.
Product should be administered according to label directions.

4 Good Reasons to Choose New Vira Shield 6+L5^{HB}:

1. Only one bottle, only one syringe*
2. Less hassle for you and your crew
3. Less costly than a two-bottle, two-syringe approach
4. 3-way BVD coverage, plus *L. hardjo-bovis*
